

## [PLAY4SFCC](#)

St. Faustina Catholic Church in Clermont, FL just celebrated the 10<sup>th</sup> anniversary as a parish, but without a permanent home. Our growing congregation of nearly 600 families has raised almost three-quarters of the two million dollars needed to begin construction of our church building, and we continue our efforts to reach our goal!

As a non-profit organization, the parish was invited to participate in a unique fundraising concept. The financial cost to our community is ZERO! *The only requirement for St. Faustina Catholic Church is to [download and share the FireFan™ app with others!](#)*

United Games, a mobile app development company created **FireFan™**, an interactive mobile sports app. Their focus is to be “the better way to play” by connecting fans alongside live sports that connect the entire group to an entertaining, straightforward, and lively environment. *(This app is not gambling, there is no betting, and no money is exchanging hands!)*

Even for those who are not “gamers” there are other aspects to this app that are social and interactive.

**The app is FREE to download, and players can play for FREE!**

When we share the **FireFan™** app with our family and friends, and they continue to share with others, the St. Faustina Construction Fund receives a portion of the ad revenue and in-app purchases generated from all those connected.

For this fundraising program be successful we need your participation. Please register [NOW](#) using one of these options and begin sharing the **FireFan™** app with others!
