Save Lives—Give Blood on September 29 Salvar vidas: donar sangre el 29 de septiembre

Our July drive saw this five-year ministry surpass the 600-donation plateau as 23 donors entered the bus, giving us 606 total pints donated, thus saving up to 1,818 lives as each donation can help save up to three patients. Besides the ability to help someone, you will receive a Wellness Check from the highly trained OneBlood staff members on board and a gift from OneBlood. While 90% of our donors are walk-ups, you can reserve your space by making an appointment at https://donor.oneblood.org/donor/schedules/drive_schedule/1421840; as always, thank you for considering donating and THANK YOU to all those who have participated in this vital outreach ministry.

En nuestra campaña de julio, este ministerio quinquenal superó el listón de las 600 donaciones, ya que 23 donantes se subieron al autobús, lo que supuso un total de 606 pintas donadas, salvando así hasta 1,818 vidas, ya que cada donación puede ayudar a salvar hasta a tres pacientes. Además de la posibilidad de ayudar a alguien, recibirás un chequeo de bienestar por parte del personal altamente cualificado de OneBlood que se encuentra a bordo y un regalo de OneBlood. Mientras que el 90% de nuestros donantes son sin cita previa, usted puede reservar su espacio haciendo una cita en https://donor.oneblood.org/donor/schedules/drive_schedule/1421840; como siempre, gracias por considerar la donación y GRACIAS a todos los que han participado en este ministerio de alcance vital.

Divine Will Group Will Start Meeting on September 26 —

The Divine Will Group meets on the fourth Thursday from 9:00 to 11:00 a.m. in classroom #1. Its first meeting is on September 26.

The Divine Will is primary to all that exists and will ever exist. It is God’s very Intention for all Creation. By disobeying God’s Will, Adam and Eve were banished from Paradise and forced into lives injured by sin. God has a loving plan to redeem Humanity through a New Adam and Eve, namely Jesus Christ and the Blessed Virgin Mary.

We are now living during the culmination of God’s plan for Redemption: the time of Sanctification. For this, our loving Father is providing special gifts and graces through His Will and the message of Our Lady of Fatima. As Pope Benedict said, “We would be mistaken to think that Fatima’s prophetic mission is complete.”

By combining the message of Fatima and Mary’s plan for our Salvation: the Rosary, Scapular, daily offerings, Consecration to the Sacred Heart of Jesus and Immaculate Heart of Mary, and First Saturday Devotion, in the Divine Will, the Father cannot refuse our plea for Peace.

Is your soul thirsting for holiness and desire to pray for His Kingdom to come and His Will be done?

FREQUENTLY ASKED QUESTIONS ABOUT AMENDMENT 4 FLORIDA'S PRO-ABORTION AMENDMENT

What is Amendment 4?

Amendment 4 is a proposed amendment to the Florida Constitution that would essentially establish an unlimited right to abortion throughout pregnancy even when the heartbeat of the preborn child is detected, when the preborn child can experience pain, and when the child is capable of living outside the womb. Amendment 4 will appear on the November 5, 2024 ballot and require approval from 60% of the electorate to pass.

What would Amendment 4 do?

PUT WOMEN AT RISK

Amendment 4 would jeopardize existing laws and prohibit new ones that voters on both sides of the abortion issue support, including health and safety laws that protect women.

ALLOW SECOND AND THIRD TRIMESTER ABORTIONS

Though not defined in the amendment, "viability" is defined in Florida law as the stage of development when the life of a fetus is sustainable outside the womb (Ch. 390.011(15)), generally accepted to be 22-24 weeks of pregnancy, or about 6 months.

CREATE A BROAD "HEALTH" LOOPHOLE

"Patient's health" is not defined in the amendment, allowing post-viability, extremely late-term abortions for treatable, temporary health concerns. Emotional health would justify an abortion when a child could survive outside the womb.

WEAKEN MEDICAL DOCTOR REQUIREMENT

"Healthcare providers" – not just physicians – could determine if an abortion is "necessary" to protect the mother's "health." Even some employees of abortion clinics, such as nurses and counselors, could approve late-term abortions.

ELIMINATE PARENTAL CONSENT

While preserving parental notification in our state constitution (Article X, Section 22), the amendment would invalidate the current law that requires parental consent for a minor to have an abortion (Ch. 390.0114(5)), making abortion the only medical decision for which parents have no say.

Would abortion be illegal in Florida if Amendment 4 does not pass?

If Amendment 4 does not pass, abortion would still be legal in Florida until a baby's heartbeat can be detected. Current laws that protect the safety of women would remain in effect.

Doesn't Amendment 4 simply restore Florida back to when *Roe v. Wade* was in effect?

Amendment 4 goes dangerously beyond what was permitted in the *Roe v. Wade* ruling. It would eliminate important health and safety measures that protect women, remove parental consent for any minor seeking an abortion, and allow for abortion through the third trimester of pregnancy.

Aren't late term abortions very rare?

Because they are currently not permitted by Florida law, they are extremely rare. There are exceptions in the law that allow late-term abortions to preserve the life of the mother or to avert serious risk of substantial, irreversible impairment of a major bodily function. If Amendment 4 passes, its broad loopholes would allow non-physicians to cite minor, treatable conditions to justify abortions, and there would be many more late-term abortions in Florida.

Will miscarriage care or ectopic pregnancy treatment be denied if Amendment 4 fails?

There is a fundamental difference between an elective abortion and the care provided after a miscarriage or for ectopic pregnancies. Amendment 4 will have no effect on the care a pregnant woman receives in an emergency. Women can always receive necessary and timely lifesaving medical treatment, including in Catholic hospitals. No law restricts this care in Florida.

How is the Church helping pregnant women in need?

The Catholic Church is committed to helping women in need during and after pregnancies. For decades, numerous Catholic social service agencies, in collaboration with faith-based and secular organizations, have assisted pregnant women in need with material resources and personal accompaniment during pregnancy and after their child is born.

What is the Church doing to defeat Amendment 4?

Each diocese in Florida is working together, through the Florida Conference of Catholic Bishops, to help Catholics understand the dangers of Amendment 4 to women, their children and their families. The Church supports the Florida Voters Against Extremism coalition to educate voters on how Amendment 4 is harmful for Floridians.

What can I do to help defeat Amendment 4?

1. **VOTE NO** on Amendment 4
2. **EDUCATE YOURSELF** and **TELL OTHERS** about the dangers of Amendment 4
3. **PRAY** & Fast

Where can I learn more?
